**LADIES CLUB COMPETITION ENTRY FORM 2017**

**GENERAL:**

Closing dates for entries 23rd April. Members are requested not to enter any competition unless prepared to attempt to reach and compete in the Finals. All entrants must be available to play at any time over the Finals weekend in September. It may be necessary to play one or more final on the previous Thursday or Friday evening and we ask for your co-operation.

**MINIMUM COMPETITION ENTRIES:**

In singles competitions there must be a minimum of 16 entrants whilst pairs must be a minimum of 24 entries (12 pairs). Failure to achieve these numbers may result in that competition being cancelled and entry fees returned.

**RULES:**

Competitions played under Bowls England and club rules where applicable. General information regarding club competitions is in a folder kept in a box adjacent to the competitions display board. Please read the rules for the competition that you are playing before commencement.

If you are the challenger i.e. 1<sup>st</sup> of the pair on the board, please contact your opponent and offer **THREE** dates for play. If the person/(pair) who is/are the challenger (s) have not been in touch **SEVEN** days before the closing date for play please contact them or you or both may be eliminated. In the event you are planning a holiday you must arrange your game before you go.

Please do not arrange a competition on a day that there is a friendly club match or on Wednesday Club Nights.

Extensions may only be agreed at the discretion of the Competition Secretaries provided that a specific date to play the match is proposed and that a date to play the following round has been agreed between both opponents AND the opponent awaiting the result. If agreement is not secured between all parties above and approved by the Competition Secretaries then the bowler (s) shall be eliminated from the competition.

Competitors may only be substituted in exceptional circumstances and only at the discretion of the Competition Secretaries. The substitute may not already be or have been involved in the competition in question.

The decisions of the Competition Secretaries are final.

Please read the notice board showing the club competitions draw and ensure that you are able to play all the dates shown.

If you are the challenger it is your responsibility to arrange a marker (if singles competitions). It is your responsibility to ensure that the marker has obtained "Duty of The Marker" copies of which are pinned to the notice board and that they have read and understood them.

Ensure that you book a rink in the diary located to the right of the competitions board and that you enter the **FULL** names of the players and if that date is cancelled then ensure that the diary is amended so that other members can then use that date.

Please arrive promptly 15 minutes before the arranged start time and it is curtesy for the challenger to set out the rink before the game.

Please ensure that all equipment used is returned to the appropriate storage facilities and all buildings are locked before leaving the Club.

I have read and agreed to the conditions printed above and have TICKED those competitions I wish to enter
